

Transportation Contribution

In order to run a successful football program we need your help in raising funds. This year we are asking for a small player contribution of \$100 in addition to participation in our various fundraisers. This funding goes directly to the program to cover transportation costs for busing to and from games. Last year, buses cost the program over \$9,000. *This is not covered by the district.*

This is why your help and participation is so important. Please keep in mind that all football ticket sales goes to WSB to benefit all GOHS programs not just football.

Football Player Contribution

Player Name(s): _____

Parent Name: _____

Contribution per Athlete \$100. Amount Paid: _____

Payment: Cash/Check # _____/Credit Card
